January 2015

Mayor
Paul G. Cuellar

To: Whom it may concern.

Mayor Pro Tem
Leroy Vidales

Clearfield Construction Company completed a drainage project for the City Of Somerset in the fall of 2014. This project was completed by Clearfield six weeks ahead of schedule and in a very professional manner.

Alderwoman
Diane Cuellar

Clearfield personnel were courteous to residents living in the work area and went well beyond the design scope to enhance the completed project.

Alderman
Jesse Vidales
