To Whom It May Concern

Clearfield Construction has provided outstanding construction services for an approximately \$300,000 sidewalk project in southern Hays County. This project necessitated much coordination with utility companies, local residents, and the design engineer. In all cases, Clearfield Construction operated in a most efficient and professional manner -- always with positive results. Their well-trained crew performed their tasks with diligent conscientiousness, which resulted in an esthetically pleasing project.

Hays County has placed Clearfield Construction on its permanent bidder list and recommends others to consider using them on other projects.

You are welcome to call me if additional information is needed

Thank you,
Jerry H. Borcharding, P.E.
